GREAT KING ST

Great King Street is a new line of craft Scotch whiskies created by the *Compass Box Whisky Company* for people who love great whisky.

HOW WE ENJOY GREAT KING STREET

NEAT

Delicious on its own or with ice and a splash of water.

HIGHBALL

The classic Scotch & Soda. We like to accent it with citrus, herbs or bitters.

CREATIVE COCKTAILS

The cocktail world has embraced *Great King Street* as a key ingredient for inventive drinks.

WHAT MAKES GREAT KING STREET DELICIOUS

FLAVOUR

A marriage of the very best whiskies from Scotland's top distilleries, aged in the finest quality oak.

INSPIRATION

Created by John Glaser. Inspired by the art of 19th century Scotch whiskymaking and improved with *Compass Box* innovation.

CRAFT APPROACH

Natural colour, no chill filtration. Perfect balance of malt and grain whisky.
