

FLAMING HEART

BLENDING MALT SCOTCH WHISKY

Limited Edition

**This is our sixth edition of Flaming Heart,
a whisky inspired by a rock song.**

Every few years, when we have the appropriate combination of aged whiskies,
we are able to blend and bottle a new edition of the award-winning Flaming Heart.

While we nuance each edition, the signature style always remains the same.

We have once again combined the rich, bold spiciness of malt whisky aged in heavy-toasted French oak barrels with the evocative smoke of heavy-peated Islay malt whisky, yielding a flavour profile like no other in Scotch whisky: big, bold and hauntingly smoky, but with an alluring ethereal sweetness that calls you back to the glass.

In this 2018 edition, we have reintroduced a subtle sherry-cask influence that adds an additional layer of complexity and richness. This is a touch we have used for **FLAMING HEART** only once before, in the 2012 edition.

Above all, share & enjoy.
